

Dear Customers,

We are excited to get back to work and serving our customers in the Greater Cincinnati Area! In order to follow the State of Ohio guidelines for "Responsible RestartOhio" we are implementing the following practices to ensure the safety of our Guests and Team Members.

1. Starting Saturday, May 23rd, we will begin conducting events at **private residences only (no public parks, restaurants, etc.)**. We will resume normal operations when the Ohio Department of Health lifts all business restrictions.
2. If you or any of your guests are **feeling sick, PLEASE STAY HOME!** We can always reschedule if necessary. Additionally, our team members will also conduct personal wellness checks before each event.
3. We are limiting the number of attendees to a **maximum of 10 people**.
4. Our team members will **wear masks** and we strongly encourage all guests to wear masks as well.
5. Please be sure to **sanitize your hands** before entering the trailer. Hand sanitizer will be available at each entrance and we will encourage frequent use throughout your event. In addition, **all equipment will be cleaned and sanitized** before, during and after every event.
6. We will work hard to ensure **social distancing** as much as possible within the trailer.

Again, **we are excited** to get back to bringing the fun to your door! We are devoted to providing the best experience while keeping our team members and guests safe. Feel free to browse available dates on the booking page or give us a call to schedule your next event!
